Note!

The original project template has a line that might not work in Overleaf:

This one:

\begin{tabular}{|p{2cm}|p{3cm}|p{6cm}|p{6cm}|};

If it doesn't work, please change it to:

\begin{tabular}{| l | l | l | l |}

Or to:

\begin{tabular}{|c|c|c|c|}

Or to anything that works similarly.
